Subject: Resident/Business Owner Public Comment for January 2022 CITY OF TRINIDAD Council Meeting — Continued Authorization and Use of Virtual Meetings

I love my FREEDOM more than I'm scared of a germ. Do you?

Honorable Councilmen,

This CITY OF TRINIDAD Council and Staff must stop trying to prop up their COVID nonsense with their call-in Council meetings.

City Council Meetings should be held in person — publicly, openly, and in Town Hall.

You must accommodate me and any other person who will not wear a face covering or get some experimental injection or take some fake test.

You must know by now, because we all know now, only the complicit believe COVID lies anymore.

Sincerely, and with all due respect,

Mike Morgan, Resident and Owner

Happy New Year everyone. May Peace reign in politics near and far.

Since the Council is committed to focusing on Water issues and Spring is around the corner (time flies), the following action is recommended:

1. An itemized monthly update and accounting by PWA to include time spent @what cost and any progress related to their feasibility work order.

Are pending Trinidad Contracts posted in City Documents in a timely fashion for Public review? If not, it would be a good idea if they were so the Public could offer advice to the Council as well the city attorney.

2. If there is any progress on grants or any other water related business, please include updates at every council meeting or include the statement "no progress on water related issues".

Thank you for your volunteer efforts,
Paula Levine
